Dear Parents and Carers

Welcome back! I hope you all had a lovely summer break and were able to enjoy spending time with family and friends.

It was so lovely to everyone back in school this week – the children have settled into their new classes really well and have enjoyed meeting their new teacher and seeing their friends again. And thank you to everyone for ensuring the children are starting the new year in their smart new uniforms!

What a hot week it has been! Please remember to ensure your child has a water bottle in school (water only please – no squash or juices) and a hat if this weather continues.

Learning at Meridian

The teachers are looking forward to meeting with you all over the next couple of weeks to share with you the expectations of learning in your children's new year group as well as explaining what the children will be learning about. This is a great way to find out more about what is going on at Meridian and to meet your child's class teacher before Parents' Evenings.

Progress at Meridian

Please put the parents' evening dates in your diaries so that you can make an appointment to find out about the progress your children have made since they started in their new classes. This is such an important opportunity for you to hear about your children's progress and teachers can offer advice about how you can help at home.

Congratulations!

Many congratulations to Miss. Smiles and the arrival of a new baby girl on Wednesday. Her name is Bobbie Delilah Smiles and she is gorgeous! I know you will join me in sending Miss. Smiles, her partner and their new daughter all our best wishes. I can't wait to meet her!

This is a shorter than usual newsletter to welcome everyone back and I will be sending out a more detailed letter next week!

Enjoy the sunshine this weekend!
Take care and best wishes
