HEADTEACHER UPDATE

Dear Parents and Carers

Welcome back! I hope you all had a wonderful half-term break – it was lovely to see all the children back this week ready to start the new term's learning.

Thank you to everyone for showing such resilience by bringing your children into school on Thursday after those awful storms and extremely high winds. I do hope you all managed to keep safe when the weather hit.

Wellies and Coats

Thank you for ensuring that your children are ready for our Winter playtimes. Nearly everyone had warm coats and wellies this week so that we can go outside in all weathers (unless it's absolutely tipping it down!) We will be sending out reminder letters for children who do not have wellies in school and we are looking at providing spares for children if they don't have them or have left them at home. If you have any wellies at home that your children have grown out of, please do consider donating them to us so that we can support everyone to be "Winter Ready!"

Christmas Lunch

A letter will be coming out next week for you to book your child a Christmas lunch if you wish. Please do ensure you book this by the deadline of Friday 24th November so that the kitchen can order the right amount of food.

Bikes and Scooters

In order to keep everyone safe, please can you ensure that your children do not ride their bikes and scooters on the playground before and after school. Thank you for your support with this matter.

Dogs

Dogs are not permitted on the school site – please leave your dogs outside of the school grounds if bringing them at drop off or pick up. Thank you for your support with this matter.

Take care and best wishes

MERIDIAN NOTICEBOARD

Drinking Water in school

Thank you to everyone for sending your children into school every day with their water bottle. Children can access these water bottles during lesson times, including P.E., Forest School and Music lessons. Our teachers are brilliant at managing this to ensure that the children can have a drink but also ensuring that teaching and learning is not interrupted!

At breaks times, the children can access drinking water from the water fountains situated in the cloakrooms. In the lunch hall, children are provided with beakers and jugs of water to ensure they have a drink.

Please ensure that you are sending your child into school with water – no fruit juices or squashes please 😊

Children in Need “Be Spotacular”

It's Children in Need day on Friday 17th November!

To support this wonderful charity, children do not need to wear their uniform on this day – they can wear all things spotty!

If your child would like to take part in this fundraising event, they can wear a spotty outfit for a donation of £1. The spottier the better!

We will also have Pudsey badges on sale from Monday 13th November.

If your child finds dressing up days tricky, they are obviously very welcome to wear their usual school uniform 😊

LEARNING AT MERIDIAN

The Battle of Hastings at Meridian!

The children in Year 1 and Year 2 had a wonderful learning experience this week in their History Workshop all about the Saxons and Normans and in particular The Battle of Hastings. This really brought their learning to life and they had fun learning about the battle! They also learnt about life during this time and played some Anglo Saxon games. Thank you to Mrs. Mackay for organising such a fantastic learning opportunity for our Key Stage One children!

LEARNING AT MERIDIAN

Reading Homework

At Meridian, our **only homework** expectation is that children are **reading** regularly, ideally every day. Children who read every day, make such **great progress** in school, not just in reading, but in all subjects. We know that if home and school are working together to support children to read, children's **confidence** grows, and often their writing improves too because they are learning lots of new and exciting words!

If you would like to know more about how to support your child with reading at home, do visit our website that has a useful document called ["Helping your child with reading."](#)

Congratulations to Freddie in Year 2 who has read **EVERY SINGLE DAY!** Such an amazing achievement 😊

Don't forget it is free to join **Peacehaven Library** so that your children can enjoy reading without it costing anything!

Freddie's amazing reading diary!

Did you know?
Studies have shown that reading can actually reduce stress? So reading independently or having a story read to you is a great way to de-stress!

PERSONAL DEVELOPMENT AT MERIDIAN

Harvest Festival

At the end of last term, our local vicar, Jez, came and lead a wonderful assembly all about Harvest and why this festival is so important.

The children were amazing during the assembly and Jez was really impressed with the children's singing as they had learnt some Harvest songs with Mr. Mole in our singing assemblies 😊

A huge thank you to everyone for your wonderful donations of food for our Harvest Festival - we have donated the items to Peacehaven Food Bank SCDA.

PLAY AT MERIDIAN

WELLIES AND COATS

Now that the winter weather is starting to arrive, please can you make sure that your children always **wear a coat to school and have a pair of wellies** to change into for break times. Unless it is absolutely pouring down, we will be going outside in all weathers, including the rain! The children love being outside and it is so good for their physical and mental health to run off their energy and get lots of fresh air.

Thank you for your support with our wonderful playtimes!

PLATINUM AWARD

In our whole school assembly today, Kurti from OPAL came in to present us with our Platinum Award. He told the children that this award means that **Meridian is one of the best schools in the country for our playtimes** – which is absolutely amazing!

Our Play Leaders accepting our award

We also had lots of schools visit us today to find out more about OPAL and they were so impressed with the wonderful play that they saw! 😊

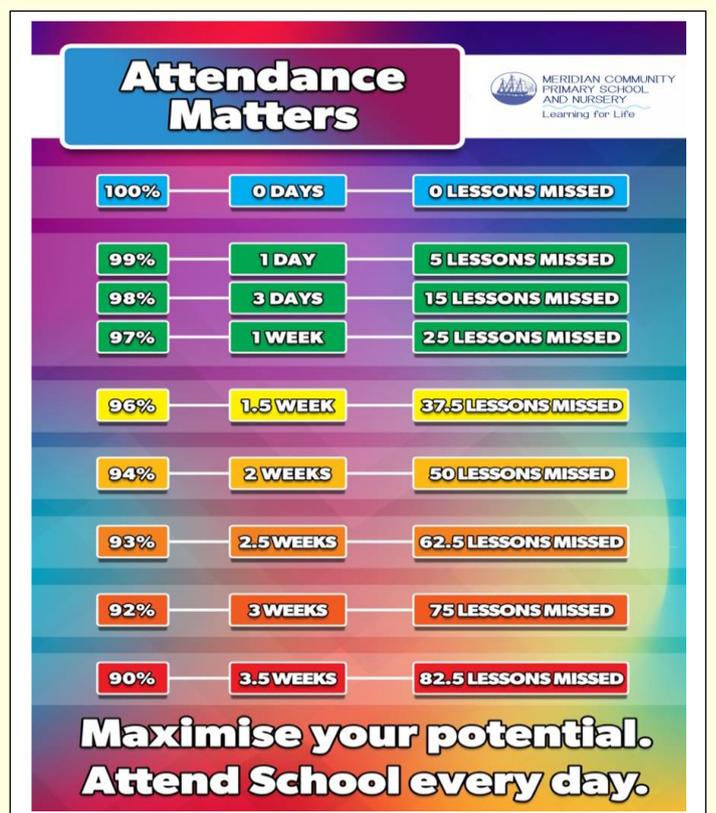

ATTENDANCE AT MERIDIAN

Good attendance at school is so important so that children do not miss out on their learning. Did you know that when teachers plan their lessons, each lesson builds on the previous one? So if a child misses 1 or 2 lessons a week, they will find the work much harder as they will be developing gaps in their knowledge.

If you are worried about your child's attendance or would like some support with this, please do make an appointment with one of our Pastoral Team, Mrs. Kirton or Mrs. Harmer.
